

2017 NASSS Archivist Report

Submitted by Nancy E. Spencer

1. **NASSS programs.** Hard copies of programs are located in the physical Archives at the Jerome Library at BGSU.
2. All NASSS programs (1980-2016) with the exceptions of 1984 (when there was no conference) and 2008 have been submitted to **Scholarworks**, part of the Sports Studies Commons at BGSU [<http://scholarworks.bgsu.edu/nasssprogramms/>]
Original digital versions of programs from 2015 and 2016 have also been submitted to Scholarworks.

Question: We need to discuss at a Board meeting whether to post programs on NASSS website.

3. Outline for **NASSS Archives** at BGSU: https://lib.bgsu.edu/finding_aids/items/show/927
Since I was on sabbatical during the past year, I have been able to work only minimally on reconciling contents that do not appear in the boxes for which they are listed. In the coming year, I plan to continue going through boxes to address discrepancies. Requests for copies of materials in NASSS Archives that do not appear online may be requested by using the Finding Aids at the above URL and contacting me via email.
4. If you are interested in seeing other items from the Archives scanned and/or posted on Scholarworks and/or on the NASSS website, please contact me: nspencer@bgsu.edu
5. An annual donation of \$100 is being submitted to the Archives at BGSU to defray costs of services provided by staff members at the Archives.

Sincerely,

Nancy E. Spencer, NASSS Archivist
